International
Cooperation

The regional and bilateral mechanisms and platforms created with the participation of FECC include:

- China-CEEC Agricultural Cooperation
- BRICS Agricultural Cooperation
- Sino-Dutch Agricultural Cooperation
- China-Ukraine Agricultural Cooperation
- Lancang-Mekong Agricultural Cooperation
- Greater Tumen Initiative (GTI) Agricultural Cooperation
- Shanghai Cooperation Organization (SCO) Agricultural Cooperation
- ASEAN Plus Three Emergency Rice Reserve (APTERR)
- Africa-Britain-China Cooperation on Agriculture and Fisheries
- China-Sudan Agricultural Cooperation
- China-Poland Agricultural Science and Technology Center
- ASEAN Plus Three (China, Japan, South Korea) Food Security Cooperation
- Greater Mekong Subregion (GMS) Economic Cooperation Agricultural Core Support Program
- FAO Reference Center for South-South Cooperation Coordination,
- China-ASEAN Agricultural Cooperation
- China-Latin America Agricultural Cooperation
- China-Russia Agricultural Cooperation
- Sino-German Agricultural Center

主要业务
Institutional function

Large-scale international and domestic investment promotion activities organized by FECC include:

核心优势
Strengths

01

农业对外合作的窗口单位

A window for international agricultural cooperation

02

农业对外合作的智库单位

A think tank for international agricultural cooperation

03

丰富的农业合作项目管理经验

Rich experience in the management of agricultural cooperation projects

04

卓越的大型国际会议承办实效

Excellent results in organizing large International conferences

Platforms

中国：世界第一农机生产大国和使用大国 China, the World's Largest Producer and User of Agricultural Machinery

2019年5月，农业农村部与联合国亚太经济社会委员会签署了“可持续农业机械化发展合作协议备忘录”。

In May 2019, MARA and ESCAP signed the MOU on Sustainable Agricultural Mechanization Development Cooperation.

问题 Questions

01

如何推进农机与现代信息化的融合，如何推进智能农机与智慧农业、大数据农业的融合发展？

How to promote the integration of agricultural machinery and modern informationization?

02

如何实现农机全产业链协调发展，补齐全程机械化短板？

How to achieve the development of the entire industrial chain of agricultural machinery?

» 融资 Financing

WHO is the service target of agricultural machinery financing? 

HOW to effectively use the funds and get the funds reversal?

农机融资

Agricultural Machinery Financing

共赢模式 Win-Win Modality

THE FOUNDAMENTAL WAY OUT FOR AGRICULTURE
LIES IN MECHANIZATION

谢谢!
THANKS!
