# Work Report of 2021 & Work Plan for 2022

---

7<sup>th</sup> Member Meeting of the Regional Council of Agricultural Machinery Associations in Asia and the Pacific (ReCAMA)

*27<sup>th</sup> Oct. 2021*

Yuee Feng

Programme Coordinator

Centre for Sustainable Agricultural Mechanization

United Nations Economic and Social Commission for Asia and the Pacific

(ESCAP-CSAM)

# About ReCAMA

- **Established in 2014** in Wuhan, China, as a regional network of private sector agricultural machinery associations
- **Objectives:**
  - strengthen the capacity of national agricultural machinery associations
  - facilitate exchange of knowledge and information
  - Enhance business connections and regional trade and investment
- **Website:** [recama.un-csam.org](http://recama.un-csam.org)
- **WeChat Group:** ReCAMA Community

# About ReCAMA

2021

21 Member associations

15 Countries in Asia and the Pacific

6 Trainings and Study Tours

3 Publications completed

1 Regional Directory of enterprise members

7 Member Meetings organized

5 Exhibitions visited (China, India, Nepal, Thailand, Turkey) including in online mode

600 Beneficiaries of training, events, network platforms

## Wide network coverage: 21 Members in 15 Countries

<b>Bangladesh</b> - Agricultural Machinery Manufacturer Association of Bangladesh (AMMAB)	<b>Cambodia</b> - Agribusiness Machinery Association in Cambodia (AMAC)	<b>China</b> - China Agricultural Machinery Distribution Association (CAMDA)	<b>China</b> - China Association of Agricultural Machinery Manufacturers (CAAMM)	<b>China</b> - China Agricultural Mechanization Association (CAMA)	<b>India</b> - India Agricultural Machinery Manufacturers' Association (India-AMMA)
<b>Indonesia</b> - Association of Indonesian Agriculture Machinery (ALSINTANI)	<b>Mongolia</b> - Association of Mongolian Crop Farmers (AMCF)	<b>Malaysia</b> - Farmer's Organization Authority (LPP)	<b>Malaysia</b> - Malaysia National Farmers Organization (NAFAS)	<b>Malaysia</b> - Malaysia Agriculture Machinery and Equipment Association (MAGMA)	<b>Nepal</b> - Nepal Agricultural Machinery Entrepreneur's Association (NAMEA)
<b>Russia</b> - Russian Association of Agricultural Machinery Manufacturers (Rosagromash Association)	<b>Pakistan</b> - Pakistan Agricultural Machinery and Implements Manufacturers Association	<b>Philippines</b> - Philippine Agricultural Machinery Manufacturers and Distributors Association	<b>Sri Lanka</b> - Sri Lanka Agriculture Machinery Manufacturers and Suppliers Association	<b>Thailand</b> - Thai Society of Agricultural Engineering	<b>Thailand</b> - Thai Machinery Association
	<b>Thailand</b> - Agricultural Machinery Manufactures Industry Club	<b>Turkey</b> - Turkish Association of Agricultural Machinery & Equipment Manufacturers (TARMAKBIR)	<b>Vietnam</b> - Vietnam Society of Agricultural Engineering (VSAGE)		

# Work Report of 2021

## ■ Research and Analytical Work

- Research Paper - Mechanization of Agriculture: Market Dynamics of Selected Member Countries of ReCAMA – China, India, Sri Lanka and Thailand (*completed*)
- Research Paper - Trade and Investment Policies on Mechanization of Agriculture – Case Studies of Bangladesh, Indonesia, Philippines, Pakistan and Turkey (*completed*)
- Research Paper - Mechanization of Agriculture: Market Dynamics of Selected Member Countries of ReCAMA – Bangladesh, Nepal, Russian Federation, Viet Nam (*under preparation*)
- Collection of Corporate Social Responsibility (CSR) case studies (*initiated*)

# Work Report of 2021

## **ReCAMA Workshop on Trade Procedures and Practices for Agricultural Machinery** (*6<sup>th</sup> ReCAMA Training and Study Tour*)

- Co-organized virtually via Zoom on 27 October 2021 at 14:15-15:45 Beijing time by CSAM, China Agricultural Machinery Distribution Association, Association of Indonesian Agriculture Machinery, and Thai Society of Agricultural Engineering.
- Around 100 participants attended the events from more than 30 countries.
- Increased awareness about key procedures and practices relating to trade of agricultural machinery in five countries including China, India, Indonesia, Sri Lanka and Thailand; identified information gaps relating to import and export procedures of agricultural machinery and explored ways to address them; and provided exposure to a range of new agricultural machinery and equipment.

# Work Report of 2021

## ReCAMA Workshop on Trade Procedures and Practices for Agricultural Machinery

### ReCAMA Workshop on Trade Procedures and Practices for Agricultural Machinery, 27 October 2021

14:15-15:45 Beijing Time (GMT+8)

**Opening and closing remarks by**

  
 Dr. Li Yuting  
 Head, Centre for Sustainable Agricultural Mechanization, United Nations Economic and Social Commission for Asia and the Pacific

  
 Mr. Chen Tao  
 Vice President, China Agricultural Machinery Distribution Association

  
 Mr. Henry Haryanto  
 Head of Committee, Association of Indonesian Agriculture Machinery (Chair Association of ReCAMA)

  
 Ms. Dares Kilijojoss  
 President, Thai Society of Agricultural Engineering (Vice Chair Association of ReCAMA)

  
 Mr. Anshurao Vatna  
 Deputy Head / Programme Officer, Centre for Sustainable Agricultural Mechanization, United Nations Economic and Social Commission for Asia and the Pacific

**Sharing of country-level trade procedures and practices for agricultural machinery**

  
 Mr. Xu Xiaoli  
 Project Manager, Jiangsu Shifang Engineering Equipment Co., Ltd. China

  
 Ms. Ying Hua  
 General Manager, Shanghai Kangbo Industrial Co., Ltd. China

  
 Dr. Surendra Singh  
 Technical Advisor, India Agricultural Machinery Manufacturers Association, India

  
 Mr. Henry Haryanto  
 Head of Committee, Association of Indonesian Agriculture Machinery, Indonesia

  
 Mr. Lasantha Wickremesooriya  
 President, Sri Lanka Agriculture Machinery Manufacturers and Suppliers Association, Sri Lanka

  
 Ms. Baralee Ratnapinda  
 Expert on Rules of Origin, Royal Thai Customs, Thailand

  
 Mr. Yuan Tongbao  
 Deputy Secretary General, China Agricultural Machinery Distribution Association, China

Zoom Meeting ID: 932 6579 8446

# Work Plan for 2022

(subject to budget  
availability and Covid-19  
situation)

- Research Paper - Market dynamics of agricultural machinery of Bangladesh, Nepal, Russian Federation, Viet Nam (*complete the 2<sup>nd</sup> edition*)
- Sub-directory focused on sustainability such as for conservation agriculture/ smallholder/ family farming/ mountain farming
- Compilation of CSR cases
- **7<sup>th</sup>** ReCAMA Training and Study Tour – in Oct. 2022 in China or virtually
- Mid-year virtual member discussion session
- **8<sup>th</sup>** Member Meeting of ReCAMA – in 2022 in Thailand or virtually
- New Association Engagement – ROK, Japan...
- Initiative to support women farmers/associations

# Thank you for your attention!

By Secretariat of ReCAMA

7<sup>th</sup> Member Meeting of the Regional Council of  
Agricultural Machinery Associations in Asia and  
the Pacific (ReCAMA)

*27<sup>th</sup> Oct. 2021*

# To-be-discussed

- Possibility of the Chair and Vice-Chair Associations to initiate and prepare the mid-year virtual member discussion session
- How ReCAMA could further support the work of the member associations and private sector to recover from the pandemic and build resilience
- Others potential collaboration areas
