Search Product

The screenshot shows a search interface for agricultural products. At the top left is the CAMDA logo, which consists of a stylized 'A' inside a circle with the text 'CAMDA' below it. To the right of the logo is a navigation bar with several icons: a red and orange curved shape, a blue '中' character, a blue percentage sign, a blue smiley face, a blue person icon, a blue keyboard icon, a blue printer icon, and a blue gift icon. Below the navigation bar are two search input fields. The first field is labeled 'Product' and contains the text 'manure spreader'. The second field is labeled 'Company' and contains the text 'half-feeding combine-harvester'. Both fields have a magnifying glass icon and the word 'Search' to their right. Below the search fields is a large banner image of a green field. Overlaid on the banner is a white rectangular area containing a dark green button with the text 'International Company' and a white outline map of a region labeled 'HL'.
