## STANDARDS DEVELOPMENT PROCEDURES

### 01 Prepare first draft

Development of a draft standard in accordance with the standardization program

### 02 Public discussion

Open public discussion within 60 days

### 03 Prepare final draft

Taking into account all received comments and preparing the final draft

### 04 Expertise and voting

Expertise and voting in TC based on consensus

### 05 Approval

Approval of the draft standard by Rosstandart

### 06 Application

Implementation and application of the approved standard
